

Our Mission

The Housing Finance Agency (HFA) is a semi-State company whose mission is to facilitate the delivery of social and affordable housing in Ireland.

We do this by providing long-term competitive finance to Approved Housing Bodies (AHBs), Local Authorities (LAs) and Higher Education Institutions (HEIs) and by using our financial expertise to support customers in the development and implementation of effective housing programmes.

Building Communities Together

The Housing Finance Agency is committed to promoting the creation and development of vibrant, inclusive communities where individuals and families can thrive.

Through our strong partnerships with AHBs, HEIs, LAs and other stakeholders, HFA financing contributed to the delivery of thousands of new high-quality homes in 2024. Our collaborative approach ensures that together we can address the diverse housing needs of communities across Ireland.

In 2024, the HFA supported the delivery of a record number of new homes. This continued growth underscores our commitment to the shared goal of ensuring that everyone has access to secure, quality, affordable homes in strong, supportive communities.
