

October 2019 – a request for Proposal and tender applications and results since the beginning of the year, as outlined in s4.5 of the Classes of Records held by the HFA in the Chief Executive Officer's Office.

The HFA's Freedom of Information Officer identified the records which related to this request. It was decided that the applicant should be granted access to these records, by means of copies of records which were provided to her.

The applicant was granted access to the information requested.
